Documentation Versions

You are currently in the **MapR 5.0** documentation space.

This space contains documentation for the **5.0** release only.

To access documentation for the latest release, **MapR 6.0**, click the following link:

- [MapR 6.0 Documentation](#)

To access online documentation for other MapR release, go to:

- [MapR 5.2 Documentation](#)
- [MapR 5.1 Documentation](#)
- [MapR 4.1 Documentation](#)
- [MapR 4.0.x Documentation](#)
- [MapR 3.x Documentation](#)

You may also be interested in viewing the following document to see ecosystem, JDK, MapR client, and operating system support matrices:

- [Interoperability Matrix](#)

New Users
